PROIETTORE PADEL PRO

Proiettore LED ad alte prestazioni per l'illuminazione sportiva professionale, realizzato in alluminio di alta qualità e dotato di ottiche asimmetriche 60x110° per una distribuzione della luce precisa e uniforme sul campo. Studiato appositamente per il Padel, ma adatto anche ad altre discipline, garantisce visibilità ottimale e un'elevata efficienza luminosa di 185 lm/W. Le protezioni IP65 e IK09 e la durata di 100.000 ore ne fanno una soluzione solida e affidabile nei contesti outdoor più intensivi.

High-performance LED floodlight for professional sports lighting, made of high-quality aluminum and equipped with 60x110° asymmetric optics for precise and uniform light distribution on the field. Designed specifically for padel but also suitable for other sports, it ensures optimal visibility and a high luminous efficacy of 185 lm/W. With IP65 and IK09 protection and a lifespan of 100,000 hours, it is a solid and reliable solution for the most demanding outdoor environments.
